MEMORANDUM FOR:

Executive Assistant to the DDCI

25X1

FROM:

Deputy Chief, International Security Issues  
Office of Global Issues

SUBJECT:

Soviet Presence in the Third World

25X1

1. Attached is a paper that was prepared in OGI about a year ago in response to a request from the DCI. The paper includes much of the information that you indicated the DDCI would like to see in a new paper. The data are still largely accurate although some updating needs to be done; the graphics do not identify strategic materials but this information could be added.

2. Please let me know if this is the kind of paper the DDCI has in mind.

I think a paper like this, w/ appropriate updating & addition of strategic materials on the mark. that wd be a lot to get into the graphics to get a couple wd be to print everything - leave that to wave a draft by John beforehand if you don't mind. It's a great piece of work that would be really useful
